*ATTENTION * ATTENTION *

SWIMSTYLE HIGHLY RECOMMENDS THE FOLLOWING:

- (1) One week prior to closing have a COMPLETE WINTER WATER ANALYSIS done by a professional pool company.
- For plaster pools up to and including 3 years old add STAIN AND SCALE CONTROL to protect plaster finish.
- (3) If you own a Safety Mesh Pool Cover, close pool After October 15th. In addition to using winter chemicals add PROTEAM WINTER TREATMENT, 1 treatment per 12,000 gallons. This is designed to aid in the prevention of algae.
